

Brookside Engine Company A Century of Service

Can you believe that July 4th is almost here??

Come one, come all to the Grandest Little Hometown Parade in America! Here is your invitation and your own collectible poster.

This year's parade will honor the Brookside Engine Company's 100th anniversary. There will be fire trucks galore and marching firemen from near and far. We owe a lot to these dedicated volunteers who come to our aid anytime night or day. Please come and honor them.

Included in our celebration will be the parade, the field games, the dunk tank, the bounce house, clowns, bands, swimming at the Brookside beach, bingo in the evening. All of this is FREE to anyone who attends, but we need generous donations, especially this year. We receive no monies from the town and rely solely on donations to fund the Brookside Community Club's sponsorship of this fantastic, fun event. Your children will love it and you will too. Many of our children who have "left the nest" come back every year to see friends and relive their day. So please, please open your hearts and your pocketbooks to help us make this the best day ever!!

Thank you,

Lynda Menton

Lynda Menton, General Chairperson
Brookside Community Club 4th of July Parade Committee

Brookside Engine Company A Century of Service

Monday, July 4th, 2016, 9AM
