January 8, 2010

Dear Resident,

On behalf of the Mendham Township Committee we extend our wishes to you for a happy and healthy New Year.

Although Mendham Township has grown and welcomed many new residents in recent years, we have not lost our charm or neglected our history, nor have we strayed from our core commitment to keeping our high quality of life here. We are a sophisticated town yet with old world values and appeal. The Township Committee takes particular pride in preserving this special aspect of Mendham Township.

At the same time, we do recognize that the needs and concerns of our residents are evolving and the Governing Body must consider how best to accommodate those interests. To that end, we -- Mayor Krieg and Deputy Mayor Florek -- will be meeting personally with the residents of each local community within the Township. First and foremost we want to listen. We also want to discuss your thoughts, observations and suggestions. We'd like to know what you enjoy and appreciate most in our town, what you'd like to see changed, and hear your ideas for our future. As we listen we also hope to advise you about ways that you can become more involved in the community at large and help make a difference.

By way of this letter and through our website (www.mendhamtownship.org) we are asking each of the homeowners associations to schedule a community outreach meeting with us as soon as practically possible.

Please share this letter directly with your residents if you wish. We will follow up with you shortly to schedule mutually convenient dates and times to meet.

We eagerly look forward to seeing you and your neighbors.

Richard H. Krieg, Mayor

Phyllis J. Florek, Deputy Mayor
