June 7, 2016**

The meeting started at 1915

Attendees: Peter,
Amalia, Megan, Diane, Gary, Claire

BROOKSIDE BEACH

11 members at this point have signed up. Still working on site prep. Needed to cancel the 4th grade beach party. The beach will be ready to open on June 18. June 17 will be staff orientation. Pete said he would be cutting beach management as the co-managers were both lifeguards and could do some double duty. The staff he said was experienced. Amalia was appointed to head the Beach subcommittee. There were several budget items that came up which resulted in a distortion of the beach's P&L statement including the \$5500 which was for a beach stipend was never received, double dipping for the aquatic charges (company paid twice), charges for AED' repairs and batteries which were taken out of the Recreation fund/trust resulting what appeared to be a \$10,000 loss for the beach last year. Rec committee wanted another notice sent out to encourage memberships and outline day passes which last year were up 90%. The beach has 4 camps signed up at the moment with the possibility of an additional one. These will help the budget as well. The committee will meet with the TC on June 13th to discuss the beach.

The June 18th Patriots Race is looking good, but race day help is needed.

Amalia reported that the DPW had started work on the parking lot at Mosle.

Teen Travel Camps may need to be combined or cancelled as at least 30 are needed each week and none of the 4 weeks had numbers close to that. Pete was going to explore possibilities.

Meeting adjourned at 2050.
